WATER METER INSTALLATION POLICY

Scope

This policy will apply to the whole of the Town of Trenton.

Policy

1. All commercial and multi-unit dwellings connected to the Town of Trenton water system shall have a meter installed.
2. All new services added to the water system, from the date of approval of this policy, shall have a water meter installed.

Addition to Policy – May 2, 1994

3. Water meters are to be installed on all customers that have swimming pools.

C. Robin Campbell, Town Clerk
