

Trenton Parks & Recreation Drop In Program Information During COVID-19

Remember to stay home if you have symptoms.

This is a summary of actions for camps. Contact Public Health and see provincial guidance document for details.

WASH YOUR HANDS

Help your child practice proper handwashing and remind them to wash their hands often at camp.

BE COVID-19 AWARE

Know the symptoms of COVID-19 and watch for new symptoms in all household members. Daily temperature checks for your child will be needed.

LIMIT AND LABEL PERSONAL ITEMS

Limit the items you are sending with your child. Label the items that you send

DROP OFF AND PICK UP SAFELY

Do not carpool with children from outside of your home. Expect staggered drop off and pick up times.

BE SUN SAFE

Remember to send your child with their own sunscreen and hat. Remind them not to share either with their fellow campers.
