**TOWN OF TRENTON
Outstanding Resident
May 2022:**

Laura Lynn Worth

It is our pleasure to recognize Laura Lynn Worth this month as we continue celebrating Outstanding Trenton Residents! Laura Lynn Worth is an avid volunteer and fundraiser for many organizations and causes. She has volunteered at LORDA for 14 years. When Laura Lynn lost her mom, Ellen Bland, she created a cookbook in her memory & donated the proceeds to the Aberdeen Hospital Intensive Care Unit. She also holds an annual Mother's Day fundraiser for the ICU and raises money for the QEII From the Heart Campaign in honour of her mom.

The mom of 2 beautiful girls and wife of a Trenton Firefighter, Laura Lynn has stepped up to assist the Trenton Fire Dept. in any way she can including helping with any of their fundraisers. She created the Fire Dept.'s Facebook page, handles page administration, and created the Santa Claus/Easter Bunny tracker so all the kids can keep track of where they are when visiting the Town!

Laura Lynn started Laura Lynn Photography in 2010. She continuously uses her business to assist others by taking photos at events for the Trenton Fire Dept. & holding photography fundraisers for various causes over the years such as the Aberdeen ICU, SPCA, IWK, & the Lupus Foundation being a Lupus Warrior of 16 years! She generously donates prizes for sports teams, raffles, etc. and offers free portrait sessions for current and retired firefighters. Congratulations Laura Lynn & thank you for being an Outstanding Trenton Resident! Laura Lynn will receive a gift card for a local business this month as a small token of our appreciation.
