Outstanding Resident
September 2022:**

Alex Freckelton

It is our pleasure to recognize Alex Freckelton this month as we continue celebrating more Outstanding Trenton Residents!

Alex has a huge love of watching all sports, but baseball is his favorite game to watch and play. His love and dedication for ball and the ball community only comes second to his family. He helps with his children's activities, including ball, and is an avid cheerleader for them.

In 2018, Alex took over as the organizer for the annual Trenton FunFest Men's Lob Ball Tournament. In 2019, Alex joined Cindy MacKinnon in starting the Women's Slo-Pitch Tournament. This year, he registered the Men's Tournament with Slow-Pitch National making it part of a Nationally recognized tournament with winning participants able to move onto Provincial and National tournaments. Alex has also provided valuable input in the planning of other FunFest events and those who know him would tell you how proud he is to be part of Trenton FunFest.

Congratulations Alex and thank you for stepping up to the plate to volunteer your time for your community! Alex will receive a gift card for a local business this month as a small token of our appreciation.
